Bugbee-Hamlin Art Exhibit at Museum Friday

Many of the finest examples of Southwestern art will go on exhibit Friday, May 9, when the new Hall of Fine Arts of the Panhandle-Plains Museum is formally opened to the public.

Formal opening of the Fine Arts center will be in connection with the 31st Annual Meeting of Panhandle-Plains Historical Society in Canyon.

Two of the Southwest's finest art collections will be among the many exhibits to be on display at the newly completed Hall of Fine Arts. One of these will consist of the works of popular Southwest Artist Harold Bugbee, while the other will be the extensive and varied collection of the late Judge James D. Hamlin.

The Bugbee exhibit, comprising both paintings and sketches, is probably the largest collection of the works of this fine artist ever assembled for exhibition. The Hamlin collection is among the finest of its kind and represents the life work of one of the Southwest's most distinguished citizens.

Other features of the program will include a reception at 11:00 a. m. in honor of Mr. and Mrs. Harold Bugbee and in memory of the late Judge James D. Hamlin. The annual business meeting of the Panhandle-Plains Historical Society will be held Friday afternoon, followed by a banquet at 7:00 p. m. Reservations for the banquet can be made by contacting Dr. L. F. Sheffy, Canyon.

Arrangements have been made for school children of the Panhandle area to attend these art exhibits at the new Hall of Fine Arts on Saturday, May 10.

Conduct Mackoy Rites Saturday Church of Christ

Funeral service for Mrs. Mary Lee Mackoy of Amarillo was conducted at the Church of Christ here Saturday afternoon at 3 o'clock. Burial was in Dreamland Cemetery.

Pall bearers were six grandsons: Charles Hutchison, John Hutchison, Frank Stark, L. D. Stark, Edwin Stark and Argil Stark. Honorary pall bearers were grandsons-in-law of Mrs. Mackoy.

The 83 year old woman died at St. Anthony's Hospital Thursday night, May 1. She had been living with her daughter, Mrs. Maggie Seaman.

Mrs. Mackoy, who was a native of Mississippi, was born October 30, 1868. She was a member of the Church of Christ.

Survivors, other than Mrs. Seaman, are two daughters, Mrs. J. C. Hutchinson of Canyon and Mrs. B. C. Starks of Kress; and one sister, Mrs. Sallie Ellis, of Pocahontas, Arkansas.

Librarians of Area Meet Here Sunday

Mrs. Charles Harter, librarian of West Texas Elementary School, was hostess for the monthly get-together of the librarians of the area Sunday afternoon.

Mrs. Lee Gilmore, librarian of Canyon High School, Miss Linnie Babston, Miss Albessa Stephenson and Miss Bertie May Williams of West Texas State College library staff and librarians from Dumas, Panhandle, Amarillo, and Lubbock were present.

After discussing the recent meeting of the Texas Library Association in Galveston and making tentative plans for the District 1 meeting next fall, the group enjoyed a social hour.

Memorial Rites Held For Wreck Victim

Memorial services for C. E. McSpadden, Jr., 20, of Plainview were conducted Wednesday afternoon in the First Baptist Church Chapel at Plainview with Dr. A. Hope Owen officiating. Funeral service and burial were held in Blooming Grove, Navarro County, Thursday.

McSpadden was fatally injured about 8:30 Tuesday night when the pick-up truck in which the young farmer was riding alone collided head-on with an empty gasoline transport truck. The accident occurred about six miles south of Canyon on Highway 87.

The pick-up truck caught fire and burned. McSpadden was pinned in the wreckage.

For a number of hours the young man could not be identified. His identity was revealed when officers traced the license of the pick-up to its registrar.

Besides the parents, a sister survives.

Mr. and Mrs. Harland Brooks and family spent the week end in the parental Roy Brooks home at Medicine Mound, Texas.

FFA Area Meet To Be Conducted At Canyon High School Saturday

An area meeting of the Future Farmers of America will be held at the Canyon High School Saturday. The public is invited to attend the meeting which starts at 9 o'clock Saturday morning. The first thing on the agenda will be public speaking in the Canyon High School auditorium.

At 11:30 o'clock Saturday morning the entertainment party of the area will be selected to go to the state convention this summer. Following this event will be the contest in which the FFA Sweetheart will be selected.

During the afternoon the boys will have their business meeting. They will select the officers of the area to carry on the work of the organization during the coming year.

The star farmer of the area will be selected and the application for state farmers will be passed upon by the teachers who will select the star farmer and the star dairy farmer.

Raymond Hinders of the Canyon chapter, which is in the Amarillo District, is a candidate for star dairy farmer. Donnie Stroup has been nominated as the Amarillo District candidate for state officer. He made his state farmer's degree last year for his outstanding supervising farm program.

Jimmy Cornette is another boy who will be a candidate here Saturday. He was selected as star farmer of the Amarillo District. He is competing with the top star farmers of the other districts in this area for top place in the area.

Raymond Hinders will be the officer of the district who will compete here Saturday for president of the area.

The area meeting to be held here Saturday will make the fifth successive year in which the Canyon chapter of the FFA has had the Star Farmer of the district. This year the Star Farmer is Jimmy Cornette.

James Bible was the first Star Farmer and he was followed by Donald Davis who was succeeded by Jerre Inman. Last year the Star Farmer was Donnie Stroup, the candidate who is up this year for election as a state officer in the organization.

The Canyon chapter has also had officer nominees for the past four years. Donnie Stroup was the candidate last year. The nominees are selected for outstanding achievements in FFA and Vocational Agricultural work each year.

Future Farmers of America and Vocational Agriculture organizations are directed by Loyd Devin and Wayland Carroll in this area. Their dairy products team recently won third place at the state meet. The team was competing in a group of 60 entries. Tom Wright, of the Canyon team, was 6th high man for the entire contest which was held at College Station, Texas.

Saturday Show To Help Scouts Get Equipment

The Boy Scouts of Troop 66 need equipment and the Olympic Theater has arranged a program to help the boys raise money for that equipment. The theater is sponsoring a free show at which donations will be accepted with the entire funds going to the Boy Scouts for camping equipment.

It is estimated that approximately $400 is needed for this equipment. If the movie attracts as many as 80 people who will donate $5.00 each, this figure will have been reached.

The movie which is being shown is Mark Twain's "Adventures of Huckleberry Finn," one of the more important film releases in 1939. The movie will start at 9:30 Saturday morning. In addition to the regular feature, there will be a Tom and Jerry cartoon.

All of the money donated will go to the Boy Scout's local Troop 66. The money will be used entirely for camping equipment and although the boys are hoping for many donations of $5, they point to the fact that a $1.00 donation is important. No one should be kept away from the show because of his inability to make a donation as it is not required.

Excellent work has been done in organizing Troop 66. The two who have probably been the biggest contributors of time and effort are Scoutmaster Stuart Condron and Assistant Scoutmaster Ed Pettit.

Mr. and Mrs. Les Key and daughter, Sylvia, visited Sunday in the home of Mrs. Key's sisters, Mrs. L. L. Beck and family and Mrs. Dub McElwee and family, in Lubbock.

There is no better way to remember Mother than cut flowers and pot plants from Stevens Floral.

Mrs. Lee Foster Made Religious Group President

Mrs. Lee Foster was installed May 2 as president of the Amarillo Presbyterial in Hereford. This organization includes the 20 Presbyterian churches of the 32 Panhandle counties.

A long list of achievements qualifies Mrs. Foster for this position. For 25 years she has been an organist in the local Presbyterian church. She has spent 15 years with women's work in the field; has been Presbyterial Secretary of Missionary Education for four years.

She has also served as Synodical Secretary, on the state level, for Christian Education. She was the only woman to serve on the Synods Committee of Christian Education on the state level. On this committee she served as treasurer.

In addition to these services Mrs. Foster has served as Synodical Chairman of the Helen N. Butts Education Fund, a Synodical loan fund at Trinity University, the only Presbyterian college in the state of Texas.

Mrs. Foster is literally an effervescent woman of activity. Besides serving on many committees in various activities of church work in Texas, Mrs. Foster is the wife of Canyon's Fire Marshal, Lee Foster, and also the mother of a 12 year old daughter.

As an added qualification Mrs. Foster is working on her Bachelor's degree at West Texas State College.

C. L. Sone To Be Given D. Litt.

Rev. Herschel Thurston announced Sunday morning at the Methodist Church that Prof. C. L. Sone would receive an honorary degree of D. Litt. from McMurry College at the end of the summer session.

Prof. Sone is retired from the teaching profession. He was a former superintendent of the Canyon Schools.

His son, Dr. Law Sone, is president of the Texas Wesleyan College of Ft. Worth.

Father of Mrs. E. R. Cleavinger Dies

John Barton of Amarillo, father of Mrs. E. R. Cleavinger, died Friday in Amarillo, following a severe illness.

Funeral services were held Monday afternoon at 4 o'clock.

Mrs. Cleavinger and her children are the only survivors.

Mr. and Mrs. Murray Boston and Eugene spent Sunday in Dumas visiting relatives.

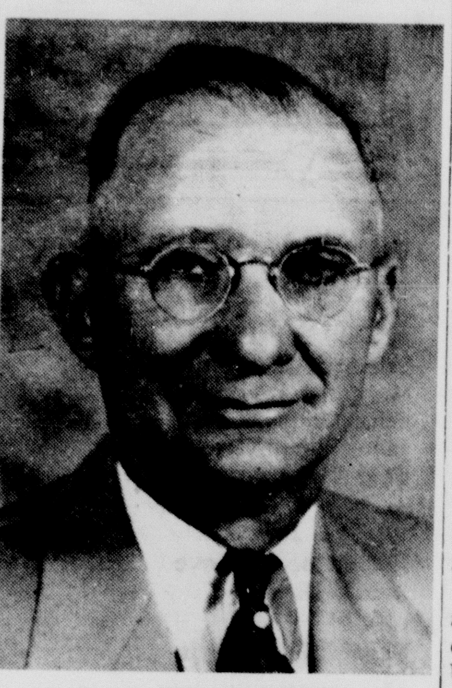
A. H. Simon Is Candidate Office Commissioner 1



A. H. (Toney) SIMON

The News is authorized to announce the candidacy of A. H. (Toney) Simon for the office of County Commissioner, Precinct No. 1. His statement follows:

"I have been asked by several good citizens of Canyon to run for this office. Our farm three miles north of Canyon is rented out and I have plenty of time to devote to the important duties of the office.

"I am 52 years of age, coming to Randall County in 1917, thus living here for 35 years. I have served as school trustee in two different rural districts for 14 years, and drove a school bus into Canyon for three years.

"We all know how vital good roads are in these days and time, but let's not side-track our good little city of Canyon. Let's build our roads leading to Canyon.

"I hope to see each and every voter in Precinct No. 1, and should I miss talking with any of you it will be accidental. I hope that you will accept this announcement as a personal visit in your home. I will appreciate your vote and influence for the primary election. I will make you a good Commissioner, not only from Precinct No. 1, but for all of Randall county," stated Mr. Simon.

April Building Totals $39,500

Building permits, although not holding quite as high a mark in April as in March, were still high enough to be encouraging during the past month. City Hall records show that permits totaling $39,500 were issued during April. Permits for the month of March totaled $40,300.

Permits for the month of April are for the construction of four residences, the remodeling of one residence and one business. The building both of residences and business structures has been holding fairly steady during the past year during spring, summer and fall months. The drastic decline occurred during the cold winter months.

Mr. and Mrs. Bill Crisp and Mr. and Mrs. Henry Loter of Plainview were Canyon visitors Sunday.

Demand Made Locally That Program Recreation Be Carried On This Year

There has been quite a bit of talk and discussion during the recent past concerning the possibility of a recreation program in Canyon this summer. Several local business men, in talking to members of the Canyon Chamber of Commerce, have expressed their desire to see this program operated similar to that of last year. The talk has been mainly about the possibility of a baseball program. Such a program for the youth of the city would be carried out in a manner similar to that of other cities in the area.

It was thought best to form teams of the youngsters from their own age group. And, if possible, from the same neighborhood. For example, in a certain part of Canyon there would be 10 to 15 youngsters from seven to ten years of age. These youngsters could form a team to compete with the other youngsters of the same age located in another section of town.

Tentative plans are to form three, four or even more age groups. The exact number depending upon the response shown through the return of questionaires in this paper.

There will be a need for coaches in each team as well as officials for each game. The Chamber of Commerce as well as The Canyon News asks you, the citizens of Canyon, for your opinion and your thoughts on this program. The success of the program will be made possible only through your efforts and your work.

The general opinion was that there would be considerable interest among all of the town's population. A questionaire has been composed to get an idea of the response that can be expected toward such a program. All interested in this program should fill out the questionaire and mail it to the Canyon Chamber of Commerce so that promoters can see what the majority of the people think of the idea.

Mrs. B. F. Oatis Died Early This Morning at Home

Mrs. B. F. Oatis died this morning at 1 o'clock at the family home where she has been in poor health for a number of months.

No arrangements had been made for the funeral services Wednesday morning.

Mr. and Mrs. Robert Avent and son of Amarillo spent Sunday in the parental W. L. Avent home near Umbarger.

Vernon Man To Speak Closing W. T. Exercises

R. B. Anderson, Vernon lawyer and well-known state political and civic leader, will deliver the commencement address to members of the West Texas State graduating class, Monday morning, May 19 at 10 o'clock. He will speak to the 196 graduates and their families and friends in the college's Administration auditorium.

Currently, Anderson is manager of the W. T. Waggoner Estate in Vernon. Prior to this he served in the Texas Legislature in 1932 as assistant attorney general. In 1934 he was state tax commissioner and later became chairman and executive director of the Texas Unemployment Commission.

Anderson is a member of the board of trustees of Texas Wesleyan College in Fort Worth and of McMurry College in Abilene. He is chairman of the Texas State Board of Education and is past president of the Vernon Board of Education. Honorary LLD's have been conferred upon him by McMurry College, Midwestern University and Texas Christian University.

In other state organizations, Anderson is past president of the Texas Mid-Continent Oil and Gas Association, director of the American Petroleum Institute, deputy chairman of the Federal Reserve Bank of Dallas, a member of the National Manpower Commission and is past president of the Texas and Southwestern Cattle Raisers Association.

Anderson's civic background includes being a member of the Council for Boy Scouts of America, a member of the Vernon, West Texas and United States Chambers of Commerce, Masonic Lodge, Scottish Rite 32 Degree, Knights Templar, and Maskat Shrine Temple.

Baccalaureate services for the 1952 graduating class will be held Sunday morning, May 18, at 11 o'clock in the same auditorium with Rev. Carl Bates, First Baptist Church, Amarillo, as the speaker.

Governor Wins All Democratic Support

The Democrats of Randall County will go to the State Convention strongly in favor of the program outlined by Governor Shivers. Every precinct in the county held conventions Saturday, and when the county convention met Tuesday afternoon at the court house there were delegates from each of the nine voting boxes.

There were only a few so-called Loyal Democrats at the Canyon convention. In South Amarillo only 22 of the 106 voters who gathered Saturday for the convention walked out after being out-voted by the convention. When the rump convention delegates failed to be seated in the regular convention and named delegates to the state convention.

Resolutions were adopted in both the precinct and county convention which strongly condemned the trend toward centralization of government in Washington. The resolutions demanded that corruption be cleaned up and that economy be practiced in government.

Throughout the discussions in Canyon no mention was made of the Truman administration.

G. W. Cox presided over the Saturday convention, with Clyde Warwick acting as secretary.

County Chairman Newton Crain called the County Executive Committee to hear the two delegations from Precinct 9. Crain called the county convention to order and all delegates were seated according to their credentials. He explained the situation from Precinct 9, and called for a vote of the convention as to which delegation would be seated. The Shivers group, represented by a very large majority of the delegates, was seated.

R. Earl O'Keefe was elected chairman of the convention and Clyde Warwick secretary. Various committees were named to carry out the business of the convention.

The following delegates were elected to the State Convention: Col. T. H. McDonald, James Bynum, Geo. Hirseh, Jack Taylor, Hosea Foster, G. W. Cox, Grady Persons.

Alternates were Earl O'Keefe, W. Q. Boyce, Albert Lane, J. Evetts Haley, Wm. C. Boyce, Newton Crain, Mrs. Geo. Nance, Mrs. T. H. McDonald, Jack Haley, Mrs. F. C. Mothershead, H. W. Burrus.

The resolutions committee composed of Wm. C. Boyce, Dr. J. A. Hill and J. M. Durrett brought in a list of resolutions which were a consolidation of the two sets adopted in Canyon and Precinct 9 in the precinct convention. They were unanimously adopted.

The finest spirit prevailed during the convention. While the convention waited for committee reports, Col. McDonald, Chas. Y. Johnson, J. Evetts Haley and others complimented the group for their work and interest in politics in Randall county.

Republicans In Session Tuesday Night in City

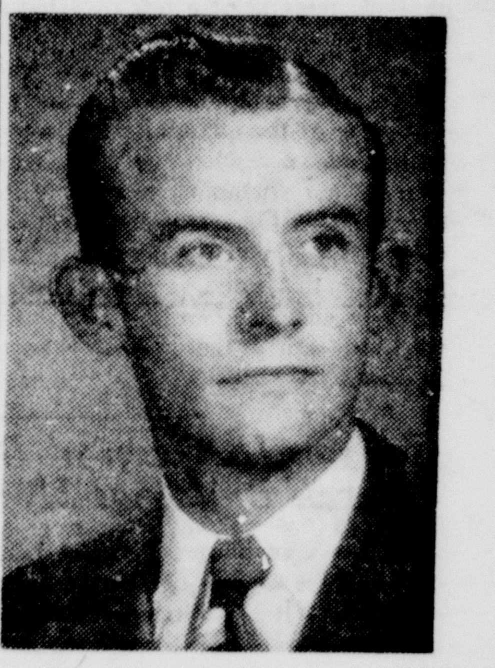
The Republican county convention in Canyon Tuesday night almost turned into a rough house as the Taft forces at first took over the convention, but were later routed by the Eisenhower group.

The session lasted until 11:30 o'clock, and peace was restored only after Sheriff M. E. Cantrell, his deputies and city police were called to restore order.

More than 100 delegates from Precinct 9 were present and took control of the convention.

The convention was a distinct surprise to local Republican leaders who had plans to carry out the meeting in an orderly manner, supporting Senator Taft. A number of delegates were present from other precincts of the county.

Andis Is Candidate For Flotorial State Representative



BILL ANDIS

Candidate for State Representative from the newly-created flotorial district, which includes Armstrong, Carson, Potter and Randall counties, is Bill Andis, 1302 Broadmoor, Amarillo. Bill is the son of Mr. and Mrs. Ralph Andis of the same address. He is an ex-service man and a graduate of the University of Texas.

Andis was employed for two sessions in the State Senate and the House of Representatives and it was there he became interested in representing the new district. He is thoroughly familiar with legislative procedures.

Bill graduated from Clarendon High School and Clarendon Junior College before enrolling at the University of Texas.

After 28 months in the service, Andis returned to Amarillo in 1944. He received basic training with the combat engineers and later was transferred to the finance department.

Andis is Assistant General Manager of Denver Amarillo Express. He is Vice President of the Amarillo 20-30 Club; Secretary Treasurer of the Amarillo Motor Carriers Association; member of the Amarillo Young Adult Club, American Legion, Masonic Lodge and the Amarillo Traffic Club, and a member of Delta Nu Alpha Fraternity. He is a member of the Texas Ex-Students Association and a former President of the Panhandle Club at the University of Texas.

Chas. E. Gerald Is Candidate for Commissioner No. 1

Among the last candidates to file for public office in Randall county was Chas. E. Gerald for the office of County Commissioner, Precinct No. 1.

Mr. Gerald filed as a candidate Monday afternoon too late for his official announcement in this week's issue of The News. His announcement will appear next issue.

Mrs. Hubert Turner and son of Hale Center visited in Canyon Saturday.

Candidates File Late for Offices

Politics took on new life as the final hour for filing applications for a place on the primary ballot came to a close Monday midnight.

The last candidate to file was Charles Hutchison, who filed his application at 11:15 with County Chairman Newton Crain for Tax Assessor and Collector.

During Monday applications were received from Charles Gerald, candidate for County Commissioner, Precinct No. 1; Cliff McMurtry, candidate for County Commissioner, Precinct No. 4; G. W. Cox, candidate for precinct chairman, No. 1.

The only three public office holders in Randall county who escaped opposition this year were Mrs. Ruth Hill, county treasurer; Clarence Beckman and Glenn Dowlen, county commissioners.

Light Rain Falls In Canyon Thursday Improving Wheat

A light shower of rain fell in Canyon Thursday evening which measured .16 of an inch.

According to reports of farmers, wheat in the west part of Randall county is in good condition, but the south and east parts of the county are suffering from lack of moisture.

Fire Does Small Damage at Store

A fire was started by electrical wire shortage in the T. A. Black store Monday afternoon. The wire had been replaced a year ago and this fire was started from contact from the outside of the building.

Only slight damage was done to the stock, confined to two dresses and a few shoes.

G. W. Cox Files As Precinct Head

G. W. Cox filed an application for Precinct Chairman of the Democratic party, precinct No. 1.

Mr. Cox presided Saturday at the meeting held in Canyon. He is a well known stock-farmer living in Canyon.

EDITORIAL COMMENTS

Too Many Folks Fail to Know Mission of the Newspapers

There are still a few persons in America who fail to understand and appreciate the mission and purpose of the newspaper.

After messing with type and ink for almost 50 years, we wonder sometimes if we really appreciate the job which has been cut out for us, and the manner in which we are carrying forward that job.

In the first place, the news columns of a newspaper are open for public information and for advertising from any or all sources which may be termed legitimate. These columns belong to the public, but here the obligation of the publisher steps in; for he has a clear mandate over the kind of news and kind of advertisements which shall be permitted in his columns. When he is honest in his work, he will allow no dishonest statements to appear in his columns, or any dishonest advertisement. A lot of material passes over the desk of the publisher for every issue. It is his personal responsibility to select the wheat from the chaff. Sometimes he fails to detect the difference.

The editorial page of the newspaper belongs to the publisher. He expresses his personal views on any subject which he wishes to discuss. It makes no difference to the publisher whether the reader agrees or disagrees with the published word. Becoming abusive will solve no problems of either the question at hand or to change the views of the publisher. The editorial page is clearly marked as editorial and the expressions are usually the opinion of one man—on small publications; or a group of men—on the big daily newspapers.

What a mess the editorial page would be if the publisher attempted to say just the right thing which might please each and every one of his readers at all times. No one expects the impossible to happen.

The case in point is that ONE reader has become very abusive against a recent editorial published in *The Canyon News* regarding the retirement of Senator Tom Connally. This writer charged Connally with everything bad throughout the past 16 years. The statements were so far fetched and so untrue to the record that no self respecting newspaper would print the letter. The writer, as usual, jumped at conclusions and charged that we were calling upon President Truman to give Senator Connally a nice fat pension. Nothing was farther from our minds. Tom Connally does not need and would not accept charity from any source. But he has many years of usefulness ahead of him, and it will be a shame should the nation be deprived of his sage advice and long experience in public office. Regardless of the disparaging remarks of a few dwarfed minds about Tom Connally, he stands head and shoulders above his critics in patriotism, ability and with a world vision which is so badly needed in the world today.

So far as the editorial page is concerned, we shall continue to say what we please; and as we please. We are not attempting to carry water on both shoulders, being a Democrat one minute and a Republican the next. If you do not like our trend of thought, just skip this page, and we shall not feel badly. There is enough news in the advertising carried every week to satisfy the needs of any economy-minded person.

Canyon Is Town of Beautiful Church Buildings-More Building

When Canyon was a great deal younger than it is today, we used to boast that Canyon was a town of churches. It was estimated that the value of church property was more than three-fourths of a million dollars.

In recent years much has been added to the investment of the church buildings. If pre-war prices were applied to the present structures, and the cost of building materials were to be added to the structures, the cost of the present plants would be more than three million dollars.

However, many improvements have been made on the physical plants in recent years. One new church plant is under construction which will cost about $90,000. If you had proposed 25 years ago to build a $100,000 church building in Canyon the members would have thrown up their hands in horror of such lavish expenditure of money.

Not so in 1952. Either we are a much more religious people than we were a few years ago; or we have learned to give much more liberally than we did; or money is much more plentiful.

All of these factors enter into the increased values of church buildings and plants in Canyon.

Some folks may have given too liberally to their churches during past years, but we doubt it. Very, very few have gone above the tithing state in their giving.

Price Daniel's Campaign Material Is Very Impressive

The Canyon News started to receive large packets of campaign material from the office of Price Daniel, candidate for United States Senator, long before his single opponent withdrew from the race. The efforts of his campaign headquarters has not slacked in the withdrawal of Senator Tom Connally. The material which he is sending out is good campaign material.

Two Congressmen rushed home from Washington two weeks ago with the avowed intention of making the race against Daniel. After looking over the field both announced that they would seek to continue in their present jobs. A job in the hand is worth two in the hands of Price Daniel, so the Congressmen figured.

However, let it be remembered that Connally, a young man, ran the chance of sacrificing his job in the House when he took on Earle B. Mayfield in the Senate. Mayfield was a much easier man to defeat than Price Daniel, so the two young fellows decided to return to their old jobs.

The young Attorney General has made a splendid record in his present office in Austin. As we stated following his opening speech, we liked the manner of his approach in the race for Senator. He should make good in the Senate.

People who do not mind their own business are rarely equipped to take care of other people's problems.

The lion and the lamb may lie down together some day, but Democrats and Republicans are different.

One Judge Stands by Constitution Regardless of President Truman

We are glad to find one federal judge who has found the Constitution of the United States something more than a scrap of paper to be torn asunder and reassembled to suit the whims of President Truman.

Judge Pine was amazed at the attitude of government attorneys who declared that the will of the President was over and above that of the people.

The government attorneys must have stretched their imagination quite a bit as they made strange declarations as to the powers of the President.

Judge Pine was amazed at their declaration; but his faith in the constitution was not shaken. If he had ruled in favor of the government in the seizure of the steel mills by the President, we might have kissed goodbye to our freedoms under Harry S. Truman.

The attorneys, hirelings of the President, were no doubt well aware of the declarations of the President only a few days previously that he had the authority to seize the newspapers and radio stations.

Thank God we still have a few people on our federal bench who have read the constitution and will stand by the constitution, regardless of the will of the President.

In the meanwhile, the nation's steel mills are shut down simply because the President tries to use powers which have never been bestowed upon him, and so far refuses to use the powers of the Taft-Hartley law, since it is a law passed by Republican sources, and was made by the law of the land over his veto.

We shall now see how the packed Supreme Court will handle the case.

Martin Dies Announces for the Post of Congressman-at-Large

Personally we cannot see the point of Martin Dies running for Congressman-at-Large. The office will probably be abolished at the end of the first term, as the legislature will certainly redistrict the state in order to take care of all Congressmen.

There is a vast amount of varied opinions regarding Martin Dies. Some of his friends, the men who know him best, claim that he is an honest, capable man, who is filled with the patriotic desire to serve his country.

His enemies say that he is narrow of mind and is seeking publicity by looking over his shoulder and claiming to have been persecuted by Roosevelt to the point of retiring from a losing fight against Un-American activities connected with the Roosevelt administration.

We have heard Dies speak just twice. Years ago he strutted like a braggard; last year before the Texas Press Association he talked like a statesman. What manner of man he is, we have been unable to properly evaluate.

In the meanwhile, Dies is the fifth candidate for the job of Congressman-at-Large. Unless something changes our mind we shall support our old friend and neighbor, John Lee Smith of Lubbock, former State Senator and former Lieutenant Governor.

We shall see what we shall see.

Senator Taft and Political Bosses Declare War on Ike

The forces of Senator Bob Taft have turned loose all guns on the candidacy of General Eisenhower. They have asked him 21 pointed questions of a political nature. These questions will seek to connect the General with the Truman administration.

Taft has the old guard political machine of the nation at his disposal. This is the age of opposing this bunch of political leaders, while the new element within the nation seeks to take control.

The independents are for Eisenhower. They hold the popular control for the moment, but may not be able to control the vote in the GOP convention.

Taft is attempting to lay the blame of the present mess in Europe on Eisenhower. He overlooks the fact that the General was taking orders from Washington when the Russians were allowed to take Berlin; just as he overlooks the fact that MacArthur was taking orders from Washington when he stalled in Korea.

So far as the popular feeling is concerned, Taft and his henchmen will not get away with the charges; but still Taft controls the machinery which will eventually name the candidates of the party.

President Forced To Eat His Own Words on Ultimatum

President Truman has had to eat his own words again when declaring that he had issued an ultimatum to Stalin. So far as any one knows, Truman has never issued an ultimatum to any foreign power, regardless of how much this power has kicked us around.

The practice of ad lib press conferences was started by Franklin D. Roosevelt, who was a master of the English language as well as a master of quick wit. He could get away with any sort of answers to any kind of a question.

Truman should resort to the practice of former presidents in requiring that all questions be submitted in writing in advance of the press conference. Truman is slow of wit in making reply to leading questions and has had to eat his own words. Truman cannot continue this practice, and there is no sense for him to continue following in the footprints of FDR. When Truman gets mad, he is very indiscrete as shown by the letters he had written and which have proven embarrassing to his administration.

The idea that the troubles of mankind would vanish if everybody practiced Christian living disappears whenever the religious experts try to agree upon the application of religious principles.

The man who has an inflated idea of his own importance usually finds that the community has him sized up as he would look after deflation.

Speeding automobiles are increasing threats to life and limb. Careless auto drivers should be punished, even if they live in Canyon.

One of the troubles with this old world is that it is packed with people telling other people what to do.

One of the troubles with modern civilization is the men and women who think they know it all.

OLD BILL'S ALMANAC

Muleshoe Holds Area College Day

Seven members of WT's faculty attended the "Education for Citizenship Project" in Muleshoe Tuesday, May 6. The project was sponsored by the Muleshoe Chamber of Commerce and high school seniors from 10 area schools who attended the all day meeting.

Purpose of the program was to give the high school seniors an insight as to what they want to do in their future lives. Each one has filled out a questionaire concerning his college and vocational preferences.

Three other colleges of this region were invited to attend the program. They were Texas Tech, Wayland and Eastern New Mexico University. Each had a booth with certain delegated faculty members to meet the seniors.

Representatives from WT were Dr. A. K. Knott, professor of English; Milton Morris, director of men's dormitories and executive secretary of the ex-students association; Dr. Lee Johnson, head of the business administration department; Mary Bragg, instructor of business administration; Elizabeth Jacobs, head of the Home Economics department; Jack Walker, assistant professor of speech; and Vaughn Vandergriff, head of the journalism department and publicity department.

The Varsity Quartet from West Texas furnished the entertainment for the group along with another act from WT.

The Muleshoe project is the first of its type in this area and results of this attempt will decide whether further efforts will be made by other communities in projects of this kind.

Lions Plan Club Election Upon Ending Minstrel

The Lions Club breathed a sigh of relief last week after having finished the two night run of the minstrel show and rolled up its sleeves to the job of electing its candidate, Milton Morris, as Lion District Governor.

Wednesday's luncheon was dedicated to giving credit to those responsible for making the minstrel a success. The foremost man in this capacity was Lion J. E. Flynn, the director. The second most important man was the interlocutor, Charlie Donnell.

To Houston and Frances Bright goes the credit for putting over the musical numbers of the show. Still another pair who contributed to making the show a success was Bobby and Patsy Vandergriff who did a dancing, singing act.

Four of the persons who applied make-up for the minstrel shows were present at the Lions Club luncheon Wednesday. They were Darlene Gray, Jane Keen, Rae June Jones and James Gamblin.

The other two who helped out by applying make-up for the minstrel could not be present Wednesday, they were Zelda Mae Walker and Bud Forbeau. Wendell Cain, speech instructor at West Texas, directed the make-up.

Two visitors were present at the Lions Wednesday luncheon. They were Carl Harrison and Dalton Coffey.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: Grant S. Taylor, Defendant, Greeting:

You are hereby commanded to appear by filing written answer before the Honorable 47th District Court of Randall County at the Court House thereof, in Canyon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 2nd day of June A. D. 1952, then and there to answer Plaintiff's Petition filed in said Court, on the 17th day of March A. D. 1952, in this cause, numbered 2412 on the docket of said court and styled Norma J. Taylor Plaintiff, vs. Grant S. Taylor Defendant.

A brief statement of the nature of this suit is as follows, to wit:

Action for divorce and seeking custody of the three children born to this union, namely:, Grant S. Taylor, Jr., Samuel Taylor and Cheryl Taylor. Plaintiff alleges defendant unfit person to have custody of said children and that plaintiff is fit and proper person to have the custody of said children. Plaintiff alleges defendant has been continually guilty of such excesses and cruel treatment, in cursing and whipping plaintiff, of such nature as to render their further living together as man and wife insupportable, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Canyon, Texas, this the 19th day of April, A. D. 1952.

ATTEST:

General Eisenhower plans to come home about a week earlier than planned in order to get better acquainted with his organization. His program calls for a "front porch" pre-Convention campaign, meeting delegates and delegations from a temporary residence in Denver.

Many of Eisenhower's backers for the Republican nomination are far from pleased by his rather indifferent attitude toward that nomination. These backers think that the General should make more effort to promote his candidacy now that he admits he is interested in the job.

Hurshelene McCarty Presents Sr. Recital

Hurshelene Journey McCarty

On Sunday, May 11, at 3 p. m. Hurshelene Journey McCarty will be presented in her senior piano recital by the West Texas State College Department of Music, in the auditorium of the Administration Building.

An honor graduate from the Amarillo High School, where she was quite active in journalism as well as music, Hurshelene has continued her high scholastic attainments during her college career. At West Texas State College, she has been a member of Who's Who in American Colleges and Universities, Alpha Chi scholastic society, and the Buffalo Band. Besides her school activities, she has been tympanist with the Amarillo Symphony Orchestra for the past eight years.

She has appeared twice as piano soloist with the Amarillo Junior Symphony Orchestra, twice with the Amarillo Symphony Orchestra, three times with the Albuquerque Symphony, and has made numerous appearances with concert bands. Her most recent concerto appearances include two performances of the Tschaikowsky "Concerto in B flat minor" with the Buffalo Band in an arrangement of this work made especially for the occasion.

WORD RECEIVED CONCERNING MARY McCASLIN MORROW

Dr. and Mrs. J. A. Hill received a letter from Mrs. Nancy McCaslin saying that her daughter, Mrs. A. D. Morrow, former Mary McCaslin, and her young son of Waco are recovering from the car wreck on Easter Sunday morning.

Mrs. Morrow is able to be up and will probably not suffer any permanent injury.

Her son, Billie, whose life was dispared of for days, has regained consciousness and is gradually improving. He is now able to speak and to take nourishment.

Mr. and Mrs. L. H. Brackenridge and sons of Dallas, Mr. and Mrs. D. V. Shelnutt, Mr. and Mrs. Spurgeon Clounch, of Amarillo, and Mrs. W. W. Clounch of Canyon were visitors in the Shirley Pitts' home Sunday.

Mrs. G. S. Ballard of Amarillo and Mrs. Anna Evans of Tulia visited Tuesday and Wednesday in the home of their sister and family, Mrs. J. C. Dowd.

Mr. and Mrs. J. C. Dowd will leave Friday for a three weeks visit with Mr. and Mrs. R. C. Helmich in Ft. Worth.

Mr. and Mrs. Howard Boston and children of Roscoe visited over the week end with Canyon relatives.

Dr. R. A. Neblett left Sunday for Dallas where the Texas where the Texas Medical Association will be in session until Thursday.

Order your Mother's Orchid early from Stevens Floral.

Sgt. and Mrs. Mickey Pitts and children of Fayetteville, North Carolina, are visiting Mr. and Mrs. Shirley Pitts this week.

Miss Dorothy Carter Given Bridal Shower

In the home of Mrs. Burney Slack a shower honored Miss Dorothy Carter, daughter of Mr. and Mrs. Bob Carter and bride-elect of Jerre Inman, on Monday afternoon, May 5, from 3:30 until 5:30 p. m.

Forming the receiving line were Mrs. Slack, Miss Carter, Mrs. Carter and Mrs. Elkins.

The table was laid with a cutwork linen cloth centered with deep pink carnations and frosted maiden-hair fern flanked by three branched candelabra mounted with pink tapers. Mrs. Walter Graham presided at the serving table assisted by Mrs. T. L. Devin.

Miss Mildred Carter, sister of the bride-elect, secured names for the guest book. Mrs. K. E. Frieze and Miss Teddie Howell provided the music for the afternoon.

Hostesses for the occasion were Mesdames Carl Hair, H. G. Persons, L. S. Johnston, Lorenzo Wirt, E. R. Cleavinger, John Jennings, Mark Foster, L. L. Byars and S. S. Howell.

One hundred and thirty-seven guests called during the afternoon.

Misconceptions of Reptiles Discussed At Rotary Luncheon

Dr. R. C. Busteed of the Biology Department of West Texas State spoke Tuesday at the Rotary Club luncheon on reptiles. He was presented by Dr. J. B. Roberts, chairman of the Program Committee.

Reptiles were connected with the evil in Biblical times. Shakespeare used the viper for psychological effects in his writings. The emotional results on children are bad, according to the speaker.

There are now only 18 families of reptiles, as compared to several hundred species in the early days. Changing climate has wiped out many of the species.

There are popular misunderstandings regarding snakes: They do not charm birds or beats; the rattler does not rattle before he strikes; the number of rattles does not tell his age, but the number of times he has shed his skin; reptiles do not swallow their young for a means of safety.

Only about 20 to 30 persons are killed annually by snake bites. The poison of snake is sticky, and if care is used not to excite the victim, he may reach a doctor before stricken. Alcohol is the worst thing that may be taken into the system following a snake bite.

The Texas Diamond rattler is the most dangerous snake in this nation, stated Dr. Busteed.

MARCALYN LEE HONORED ON SEVENTH BIRTHDAY MAY 2

On May 2nd, Mrs. G. W. Lee honored her daughter, Marcalyn, on her seventh birthday.

A picnic lunch, ice cream and cake were served to the first grade of Mrs. Joe Black and to Kay and Sue Fain, Eleanor and Susan Chambers, Jeanie and Judy Pettigrew, Harry Lisle, Ann Wingo of Silverton, Jim and Dick Reid of Silverton, Mrs. J. W. Reid and Nancy of Silverton and Mrs. Ted Reid of Canyon.

Party Honors Hood And Mullican May 2

A kitchen and linen shower was given honoring Marjorie Mullican and Billy Joe Hood on May 2 in the home of Mrs. E. A. Brown.

A floral arrangement of blue shag daisies and white snapdragons with a white bell formed a centerpiece. Individual favors of miniature sweet pea corsages were given to the guests by the hostesses.

Hostesses for the shower were Mrs. Ed Bourn, Doris Bourn, Norma Jean Tomlinson, June Stewart, Patsy Miller, Dorothy Brown and Mrs. E. A. Brown.

Punch and individual cakes decorated with two blue bells were served to the guests.

Immediately following refreshments and the opening of gifts, games were played by guests. Approximately 50 men and women were registered or sent gifts.

Mrs. Frank Mullican, mother of Miss Mullican, and her brother, Larry Don, of Snyder and Mr. and Mrs. S. R. Hood, parents of Mr. Hood, were present.

Local Girl Wins Bowling Trophy

Peggy Shero, a 15 year old Canyon High School girl, recently captured the title of winner in a bowling tournament in Amarillo. She won the singles title in the Women's City Bowling Tournament and received the winner's trophy Friday night, May 2, at the Banner Bowl in Amarillo.

The trophy was presented to Miss Shero by Joyce Taylor, secretary of the bowling tournament.

Miss Shero won with a 664 score, including her handicap. She beat her nearest competitor by 34 pins.

Mr. and Mrs. Roy Price, Mrs. Martha Anderson and children, Sharon and Larry, left Friday for Dennison to attend the celebration of the 80th birthday of Mrs. Price's mother, Mrs. Alice Hank, on Sunday, May 4.

Guests in the home of Mrs. Lessie Stevens Sunday were Mr. and Mrs. L. A. Stevens and family of Dimmitt, Mr. and Mrs. F. P. Stevens and family, and Mr. and Mrs. Roy Joe Stevens and family, all of Canyon.

There is no better way to remember Mother than cut flowers and pot plants from Stevens Floral.

Selected As Top Athletes of '51

Two Canyon products, Austell Burrus and Tommy Airhart, were presented with the 11th annual J. W. Kleinschmidt athletic award as outstanding basketball and football players of the 1951-52 school term at the annual athletic banquet held Wednesday night in the college cafeteria.

Each year Kleinschmidt, a local farmer-rancher and avid WT athletic fan, gives this award to the players he considers tops at West Texas.

Burrus, 6'4" center of the co-champion cage squad, is a three year letterman and earned a spot on the second team all Border Conference quintet. He dunked in 292 points in 28 full games for the Buffs. His defensive work was outstanding and he controlled the backboards in virtually every game.

Airhart, big rugged fullback, is also a three year letterman in WT sports, taking three varsity football all "Ts." Big Tommy is 23 years old, married and has one child. In his last season on the gridiron he racked up 309 yards rushing, caught 10 passes and scored 4 touchdowns.

He played a major part on the defensive platoon of the Buffs at safety and turned in fine performance from that position.

About 200 people attended the banquet and Hatcher Brown, assistant coach, was master of ceremonies.

Last year the Kleinschmidt trophies went to Bill Price in basketball and the whole Border Conference championship football squad.

Mrs. I. H. Hathaway and children of Belen, New Mexico, were in Canyon last week. Mrs. Hathaway had a check-up in Mayo Clinic and the children remained two weeks with their grandmother, Mrs. Jeannette Robbins, and aunt, Mrs. Bob Brotherton.

Order your Mother's Orchid early from Stevens Floral.

Guy B. Tabor returned Wednesday from Los Angeles, Calif., where he spent a week in conferences concerning his work at Amarillo Air Base.

Mrs. D. C. Chambers of Paris, Texas, returned to her home Saturday after a visit to her aunt, Miss M. Moss Richardson, with whom she spent nine days.

Mrs. G. G. Peggram and daughter, Linda Karen, of Wellington, visited over the week end in the home of her parents, Mr. and Mrs. Tom Gooch.

Make Mother happy on her day with a corsage from Stevens Floral.

Pfc. Jerry Bailey is spending a five day leave with his mother, Mrs. Mary Bailey.

Make Mother happy on her day with a corsage from Stevens Floral.

OUR MOTHER'S DAY "CARD" of SUPER FOOD VALUES

Mothers are our favorite customers — and to show how much we appreciate their patronage, we've filled this "card" with extra special values in fine foods for a festive observance of Mother's Day — values that say, "To Mother with savings." They fill every department of our store, proving once again that we are "Mother's Little Helpers" — doing our best to make her food shopping easier and far more economical.

Seek Help To Improve Rural Mail Delivery

This is rural mailbox improvement week and a vigorous campaign is being launched to carry on this worthwhile project. In order to improve conditions and make rural mail carrying more efficient, those getting mail on rural routes are asked to cooperate in this drive.

Ten points which should be checked and corrected on rural routes are: (1) See that posts are securely erected, are not leaning badly, and that box is fastened securely; (2) Replace obsolete box if it is hard to get mail into it, or if it is hard to see into it for letters that you want mailed; (3) Name should be painted on side of box which carrier approaches (or can be on front of box if several boxes are closely grouped together.)

(4) It is a big help if several boxes are neatly and closely placed on a plank extending between two posts; (5) Bottom of box should be 42 inches above roadway, and should be on an arm extending out away from the post, in such a manner that it can be easily reached, with all obstructions (including snow and parked cars) promptly removed.

(6) Fill ruts with crushed rock or broken brick or cement; (7) Drive your own car up to your box. If you can easily reach your mail from behind the wheel of your car, reaching out the right hand side as the carrier is required to do, then the chances are that your box is pretty well located. But better yet, talk to your carrier about the proper location, and the correct setting.

(8) Your carrier serves this box 305 days every year. If it is correctly set, it lightens his work and saves him time so that he can more quickly serve other patrons farther along his route (and saving his time can save the Government money); (9) This will be appreciated for with the rapid development of housing on acreages, the work load of most rural carriers has more than doubled in the past few years.

10) Your mailbox is the front door to your home. Since it is usually in front of your home, its neat appearance will add considerably to the neat appearance of your home. Ruts filled — box and post painted white — possibly a few flowers planted behind it.

These suggestions are made to facilitate more efficient rural mail distribution.

Fairview Breezes

It is getting dry and hot in our vicinity.

Bro. Fred Tedrick resigned as pastor of our church. The church voted to ask Brother Lantroop to preach for us next Sunday, so please come out to hear this fine preacher.

G. E. Wesley, Hollis Shipman and Richard Evans left for Temple Sunday morning. Mr. Wesley will get a check up at the clinic and Richard Evans will visit his wife who is taking treatments there.

Mrs. G. E. Wesley is in St. Anthony's Hospital in Amarillo with sinus infection.

Mrs. J. W. Wesley visited her mother, Mrs. M. F. Evans, one day last week.

We were glad to have Mrs. O. J. Read out for church Sunday.

Mrs. H. H. Shipman and children, Miss Lavena Amerson and Darrell Wilson took a picnic lunch and ate at Roadside Park near Canyon Sunday then went to Amarillo to visit with Mrs. Shipman's mother, Mrs. G. E. Wesley, in the afternoon.

Mrs. Serena Bryan is the proud owner of a new two-tone Chevrolet.

Mrs. J. W. Wesley called on Mrs. E. W. Schaeffer Friday afternoon.

Mrs. Rayford Shipman assisted with council sale in Canyon Saturday afternoon.

Mr. and Mrs. E. M. Wilson visited Sunday in the J. W. Wesley home, then in the E. H. Wilson home.

Mr. and Mrs. Frank Rogers were luncheon guests with Mr. and Mrs. Ira Burrus Sunday then motored to Amarillo to visit with Mrs. G. E. Wesley who is in St. Anthony's Hospital.

Sheril Ann Young, daughter of Mr. and Mrs. Melvin Schaeffer, had to be taken to the doctor Friday afternoon.

We were glad to welcome Mr. and Mrs. Smith and two small sons to Sunday School Sunday and cordially invite them to come again.

Saturday night is the night for the Home Demonstration Club Candidate Rally. We invite every one to be present. Cake and ice cream will be sold. There will be a short program and then the candidates will be given an opportunity to speak.

Scandal hunters think they have uncovered the makings of a gigantic conspiracy on the part of the Government's top tax-collection officials to reap riches by selling concessions to taxpayers in trouble. Until Congress forced a cleanup, tax officials from the top on down were getting more and more deeply involved in shady deals.

President Truman means it when he says that he would not accept a third-term draft. Governor Adlai Stevenson, of Illinois, has stopped short of slamming the door finally if the Democrats want to draft him.

John L. Lewis, who usually is not bashful in asking things for his miners, was amazed by the size of the package of concession that the Government offered the Steelworkers. Mr. Lewis had figured that 15 cents an hour would be the outside figure, not nearly 30 cents. His own plans are upset as a result.

SUE HITE CLUB MET MONDAY AT MUSEUM CLUB ROOM

The Sue Hite Club met Monday, April 28, in the Museum Club Room with Mrs. W. F. Haggard, president, presiding over the business meeting.

Mrs. W. A. Moore, program chairman, introduced Mrs. Borden Price who gave a review of the news. Mrs. Herschel Coffee directed a parliamentary drill for the club.

The club voted to have an annual spring dinner honoring their husbands on May 16 at the college cafeteria.

Members present were Mesdames Hatcher Brown, S. P. Burgess, Robert Busteed, E. R. Cleavinger, Herschel Coffee, Levi Cole, Dennis Ford, W. F. Haggard, Crews Henry, Virgil Henson, Jack T. Hughes, Robert P. Jarrett, Mitchell Jones.

W. F. Longbine, Jack Lord, M. B. Measamer, R. E. McCormick, Gene McGlasson, W. A. Miller, W. E. Miller, W. A. Moore, Borden Price, Burney Slack, Wilford Taylor, Jr., Herschel Thurston, Crannell Tolliver, Jack Walker, A. L. Walsh, Charles Wright and Boone McClure.

The Answers . . .

1. Germany; it means, literally, children's garden.
2. Thomas Carlyle.
3. On April 14, 1919.
4. Rhode Island.
5. Saudi Arabia.
6. William F. Cody.
7. Plutarch.
8. For the invention of the telephone.
9. Sir Isaac Newton.
10. The Arabian Nights, in Ali Baba and the Forty Thieves.

The Duke of Edinburgh, husband of Queen Elizabeth, is pictured as economy-minded. The Duke is said to be amazed to find 230 servants in Buckingham palace and to feel that the royal family should be able to get along with 20 or 30 in a period of national belt tightening.

Mother-Daughter Banquet at First Christian Church

Wednesday night the First Christian Church will observe its annual Mother and Daughter banquet. This event was described as being one of the more important social functions of the year for this organization.

The mother and daughter banquet is a reversed procedure from the Father and Son banquet. The men do the serving at the mother and daughter banquet whereas the women do it at the father and son banquet.

The spokesman described the function as one that usually draws an excellent crowd. This good record is expected to hold and another large crowd is anticipated at the First Christian Church Mother and Daughter Banquet this year.

HAPPY MUSIC CLUB ABSERVES MOTHER'S DAY PROGRAM

The Happy Music Club met for a Mother's Day program on May 2nd in the home of Mrs. Fern Patching.

Mrs. Merle White directed the program and gave an article named "My Mom." Poems were read by Mrs. Ruth Holiday and Mrs. Lucy Moudy and a piano solo, "Wonderful Mother of Mine," was given by Mrs. Myra Nell Culp.

Refreshments were served to the following members: Mesdames La Nelle Todd, Ruth Holiday, Hallie Whitlow, Merle White, Royce Vernon, Mary Del Toles, Genora Taylor, Polly Russ, Kate McManigal, Lucy Moudy, Kathy Moudy, Margaret Finley, Myra Nell Culp, and the hostess, Mrs. Patching.

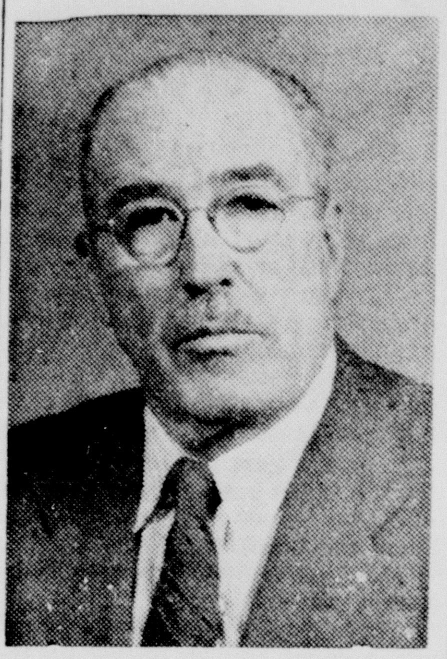
The next meeting will be the closing luncheon, May 16th, with Mrs. Anna Bee Robinson.

MOTHER-IN-LAW CLUB WILL MEET TOMORROW AFTERNOON

The Mother-in-Law Club will meet with Mrs. R. T. Bowman at 2:30 p. m., May 8, at 2301 7th Ave. Co-hostesses for the occasion are Mrs. T. T. Fain and Mrs. Lillie Foster.

Jon Haden Harte of Gruver spent last week in the home of Mr. and Mrs. G. B. Combs.

Hal Houston Is a Candidate Court Of Civil Appeals



HAL HOUSTON

Hal Houston, Amarillo Attorney, has announced as a candidate for Associate Justice of the 7th Court of Civil Appeals to succeed Judge Jim Lumpkin, who is not a candidate for re-election.

Houston lives in the north part of Randall county and practices law in Amarillo. His son is a student in West Texas State.

Houston is a veteran of World War II, serving in the Intelligence division. He returned to Dumas to resume his practice of law, but moved to Amarillo in 1950.

Fairview Breezes

For some unknown reason Bro. Lantrur did not preach for us Sunday.

We had a one-half inch rain Thursday evening. Some report quite a lot of hail.

We are very sorry to report the death of Mrs. Charles Wesley. Our sympathies are with the bereaved. She was buried in the Wayside Cemetery Wednesday afternoon.

The women of the Home Demonstration Club met Thursday afternoon and cleaned the Community Building, putting up new shades and drapes.

The Home Demonstration Club met in the Community Building Friday afternoon for a French bread demonstration given by Miss Lou Ella Patterson, Home Demonstration Agent.

On Saturday evening the Home Demonstration Club sponsored a candidate rally. Chewing gum was sold with chances given on a lovely quilt. Bill Money, tax collector of Randall County, won the quilt in the drawing. Home made ice cream, cake and pie were served to the crowd.

Miss Joyce Gazzaway and her boy friend from Amarillo visited over the week end in the Frank Rogers home.

G. E. Wesley and Curley Myers left Sunday for Temple where they expect to go through the clinic.

Mr. and Mrs. Richard Evans returned from Temple Thursday evening. Mrs. Evans has been taking treatments there.

Mrs. G. E. Wesley came home from St. Anthony's Hospital Wednesday.

Mr. and Mrs. D. L. Whitson, Jimmy Don, Darla Ann and M. C. Northam visited Saturday night in the parental J. W. Wesley home.

Fayerene Schaeffer visited Saturday night in the E. W. Schaeffer home.

Those visiting in the J. W. Wesley home Sunday were Mr. and Mrs. Ira Burris and Rex, Mr. and Mrs. H. H. Shipman, Jerry Nan, Earyle and Jean, Mr. and Mrs. D. L. Whitson, Jimmy Don, Darla Ann, M. C. Northam, Lavena Amerson and Mrs. G. E. Wesley.

Mrs. Serena Bryan had a niece and nephew from O'Donnell as house guests over the week end.

Mrs. O. J. Read is still on the sick list.

Mrs. John Patterson was shopping in Amarillo Friday.

Saturday night is Fellowship night. Every one is invited to attend.

Mr. and Mrs. Ted Schuler of Seminole were guests in the home of Mr. and Mrs. J. M. Daugherty Friday. Mrs. Schuler and Mrs. Daugherty are sisters.

A large number of members attended the Eastern Star School in Amarillo Saturday and Saturday evening.

Just Between You, Me and . . . the Gatepost

We have some brand new, pretty yellow lines along the north side of the square now. The lines mark the space for parallel parking and even though that particular manner of parking is not altogether popular with many people, it is still upheld by city officials. The authority that prevents angle parking on this side of the square stems from a law that a state maintained highway passing through town must enforce a parallel parking regulation.

Those who object to parallel parking point to other towns in this area that have a state highway running smack through the middle of them and the people park their cars at an angle. They maintain that if other towns can do it, why can't we?

Last Tuesday night the tragic crash south of town that took the life of one man and caused a gasoline truck to catch fire, found many of our firemen blacked up at the Lions Minstrel. The report of the accident came in as the final curtain was being drawn on the show. The men didn't even wait to remove their make-up. They went directly to the fire, black faces and all. This is only one indication of the fact that we have an excellent volunteer fire department.

Cal Farley is one of the men in this area who has contributed immensely in providing young boys in this vicinity with many sports and athletic benefits. Mr. Farley addressed the father and son banquet of the Hi-Y Club from Amarillo's Horace Mann School Tuesday night. His talk concerned some of the causes of juvenile delinquency. It was an excellent speech and it seems that radio station is missing a bet by not having such a talk by Mr. Farley aired once a week.

Chirps of wisdom this week concerns the sheriff's office. The bit of doggerel was condensed from the National Sheriff.

Now the sheriff's job is a curious one; like the housewife's work, it's never done. He may be telephoned by some frightened caller that he's badly needed down in Possum Holler, because pa's on the rampage, he's got a gun and has been looking for ma since half-past one.

The sheriff gasses his fliver and hits the trail, like a streamliner carrying the mail. His only hope and all he can figger, is to get there ere pa pulls the trigger. He arrives to learn that pa was hunting squirrels and ma was at school with the two oldest girls.

The next morning he's searching for a mottled faced cow, that night he referees a big family row. He chases the thieves, always doing his best; he gets his percentage and loses the rest. He can't catch them all for some leave no clues, they don't leave their cards like candidates do. Some plead guilty and the judge will scold, then half of the country will want them paroled.

They blame the depression, the new deal and the tariff; but most of the folks put the blame on the sheriff. The big result of staying in, is a pat on the back and a sock on the chin. He takes it all, shedding no tears, and announces, "I'd like to be your sheriff another two years."

We had a pleasant surprise at The News office Friday afternoon when Cecil Massey dropped in for a short visit. Massey is the former secretary-manager of the Chamber of Commerce and director of our now defunct Community Recreation Council. At present he's Secretary-Manager of the Hereford Chamber of Commerce.

The student in the newslight this week is Bob Lane of Turkey.

Bob is a graduate of Turkey High School, having completed his graduate work there in 1950. In the fall of that year he came to West Texas State College.

The blond haired, 195 pound six foot Buffalo quarterback is majoring in education and history. Tentative plans are to teach and coach upon finishing college but he goes on to point out that these plans are subject to change. Even though he enjoys all types of sports, he explains that there is a possibility of his becoming a farmer.

Bob likes Canyon as a town and believes WTSC is one of the best schools possible for its size and location. In explaining the good points of the college, Lane mentioned the continuous improvement in the agricultural department. This is one department that is proving of greater value to the area as time goes by. In fact, the school and its program is one of the most appropriate institutions this part of the country could possess, says Bob.

Lane's activities are limited to his studies, and football for the most part. He does belong to the T-Club, an honor society made up of athletic lettermen of WTSC.

Bugbee Will Exhibit Work at Museum

Harold D. Bugbee, popular southwestern artist, puts finishing touches to an oil painting entitled "The Slick Ear." A large collection of Bugbee's paintings and sketches will be on exhibition May 9 at the formal opening of the new Hall of Fine Arts, most recent addition to the Panhandle-Plains Museum at Canyon. Other outstanding works of art to be on exhibit will include the extensive collection of the late Judge James D. Hamlin of Farwell. Formal opening ceremonies at the Hall of Fine Arts will begin at 10 o'clock Friday morning in connection with the 31st Annual Meeting of the Panhandle-Plains Historical Society.

Gen. Peng Teh-Luai, Chinese Communist Commander in Korea: "We are not afraid of fighting; the more we fight the stronger we become."

BOYCE HOUSE
Gives You Texas

When I was a lad in Arkansas, the railroads increased their fare from (I believe) 2½ to 3 cents a mile. The action was contested and, while the litigation was in progress, the lines charged the higher rate but gave each ticket purchaser a stub good for a refund in case the increase was knocked out.

Very few kept the stubs. Usually, the ticket-buyer would toss the slip to the floor as he turned away from the window.

Eventually the courts set the increase aside.

There was a youth who swept out a depot and he picked up the discarded stubs and when the case was decided, he stepped forward with about $2,000 worth of them and the railroads had to pay him. That was a small fortune in those days.

I've often wondered how he fared (no pun intended!) in later life after such a quick start.

Petty peeves:

Radio and TV announcers who say that the price of an article is "Six dollars forty cents" when everybody else says, "Six dollars and forty cents;"

Insurance men who speak of "At age 30" when everybody else says "At 30."

And in how many towns have you noticed the sign, "United States postoffice?" Is there any other kind of postoffice?

Except, of course, the old-time parlor game.

When I was a high school student, Gloria Swanson was a movie star. Now she is three years younger than I am. I am mystified and also a little saddened to think that I have aged at such a rapid rate.

William Jennings Bryan said, "My place in history will depend on what I have done for the people—and not on what the people have done for me."

Alfred M. Gruenther, Chief of Staff at SHAPE: "Our capabilities for defense are much greater than they were a year ago."

Speeding on U. S. streets and highways last year injured 570,080 men, women and children.

T. M. Verden, rural school superintendent: "Rural America is a stabilizing influence. It has fewer broken homes and it is free of foreignisms, narcotic rings and gangsterism."

Manly Fleischmann, U. S. Defense Production Administrator: "The free nations of the world must share to survive."

WARREN'S

Praises BIG 12 For Relieving Her Nagging Aches and Pains

Every day people from all over Texas write in telling how **BIG 12** has helped them regain their old time feeling of well being. For instance, take Mrs. Blanche Styron of 402 West Henderson in Cleburne. Mrs. Styron is a nurse and it wasn't so long ago that she had a hard time carrying on her profession. Then she heard how **BIG 12** was helping other people with a similar condition caused by deficiencies of Vitamin B_1, B_2, Niacin and Iron and decided to try it. But let Mrs. Styron tell her experience with **BIG 12** in her own words.

"For some time I had aches and pains all over my body, I suffered terribly all during that time. Then I heard about BIG 12 and out of sheer desperation I got a bottle. With that first bottle I felt a great change for the better and I have since taken thirty or forty bottles. I have now returned to my work which is practical nursing. At present I am walking two miles each day to take care of my patient. I am still taking BIG 12 and will continue to take it for it has helped me more than I can ever say."

Mrs. Blanche Styron

There is nothing miraculous about **BIG 12** but sometimes results like those secured by Mrs. Styron almost make it seem so. **It is a proven fact that lack of Vitamin B_1, B_2, Niacin and Iron can cause nagging aches and pains, stomach distress, lack of energy, sleeplessness, nervousness and poor appetite and BIG 12 contains these essential elements that give that glorious feeling of well being that makes life worth** living. And remember, in addition to Vitamins B_1, B_2, Niacin and Iron, the daily dose of **BIG 12** contains as much of the new Red Vitamin B_{12} as a doctor usually gives in an intramuscular injection. These vitamins and the great iron content of **BIG 12** (far more iron than any other tonic contains) when taken into the system, goes to work immediately so if you suffer from these deficiency caused ailments, be fair to yourself, don't go on through life suffering nagging aches and pains, stomach distress, sleeplessness, nervousness, poor appetite and a general run-down condition due to a deficiency of Vitamins B_1, B_2, Niacin and Iron but get a bottle of **pleasant tasting BIG 12** from your drug store today.

Agricultural Appropriations

The House this week has passed the agricultural appropriation bill.

Although there was much debate on many of the sections of this bill, the debate was never heated as it has been on the other appropriation bills. It is my opinion that the Congress as a whole realizes what agriculture means to any civilization.

The committee recommendations were not cut by the House because the Appropriation Subcommittee on Agriculture did an excellent job in preparing this bill for presentation to the Congress. The budget requests were reduced by the committee, but the House did not reduce the committee recommendations.

One of the primary reasons for this action, other than the fact that the Congress realizes the importance of agriculture, is the fact that since 1940 agricultural appropriations have been reduced 32 per cent, while at the same time the appropriations for other departments have steadily increased.

I gave you these figures in a recent newsletter, but will repeat them because of their importance. Since 1940 the appropriations have increased as follows: Department of Commerce, 900 per cent; Department of Interior, 183 per cent; Justice Department, 264 per cent; Labor Department, 100%; Post Office Department, 266%; State Department, 1380%; Treasury Department, 749%.

We of course ran into arguments from the city members, but were able to offset these arguments by showing these members just how important agriculture is to the city folks.

Many people do not realize that in the past 175 years the fertile soil of this nation has decreased from 500 million acres to a little more than 300 million acres, and that according to the best estimates available the top soil of fifty 40-acre farms flows down the Mississippi River each day in the year, and out to sea.

Many people do not realize that by 1975, according to the present rate of increase in population, this country will have 190 million people, whereas today we have 150 million. This increase in population under present-day standards will require an additional 115 million acres of land in order to maintain the present standard of living. That time is only 23 years in the future.

Since 1940 we have been producing 20 per cent more annually than theretofore. This does not mean that such increased production was the result of 20 per cent more work. It means that 20 per cent more has been taken from the fertility of the soil of this nation.

These are just a few of the important facts that the people of the entire nation should know, because history shows us that the rise and fall of civilizations have been determined primarily by the fertility of the soil and the protection that was given the soil.

We must not forget that once the top soil is gone, it cannot be replaced. One of the main reasons that this country has had to contribute to foreign countries during the past two decades is simply because the people in those countries permitted their soil to wash away. They permitted it to be overgrazed and overproduced.

Those people did not take care of their land and the result has been tragic. Certainly this country should learn something from the experiences that we can see and appreciate that have happened during our lifetime.

Dollars are very important and especially at this time in our history, but no one will deny that a human being will find a bowl of turnip greens much more digestible than a bowl of ten-dollar bills, with or without pepper sauce.

I feel that the people in the 18th District appreciate the importance of agricultural programs and soil conservation, but I did want to give you a few of the many facts that must be seriously considered by every citizen in this country.

The Long Range Ship Building Bill

The Committee on Merchant Marine and Fisheries had an interesting witness this week in the person of Hans Isbrandtsen, who heads the Isbrandtsen Steamship Lines.

This is an independent steamship company. The Long Range Shipping Bill has to do with subsidies to steamship companies.

Mr. Isbrandtsen is definitely a man of the sea and a rugged individualist. He left no doubt in the minds of the members as to the fact that his company was not subsidy minded and that a good healthy shipping industry could only be worked up by private initiative.

Nor did he leave any doubt in the minds of the committee members that his basic philosophy was that the citizens of a country should support the government, and not the government support the citizens.

Although I am not on that committee, I was certainly impressed by his testimony, as it contained a lot of good sound basic American philosophy. Usually these owners of steamship companies and other major industries appear before these committees in support of government subsidies, rather than in the role occupied by Mr. Isbrandtsen.

EDGETOWN H. D. CLUB STUDIES ELEEMOSYNARY INSTITUTIONS

The Edgetown Home Demonstration Club met in the home of Mrs. I. Wester on April 25. Opening song was "Onward Christian Soldiers." The "Daily Creed" given in unison was followed by prayer led by Mrs. R. E. Gill, chairman.

After Mrs. J. C. Dowd had read the minutes and called the roll she assisted Mrs. J. I. Payton and Mrs. Dallas Milner in giving a very interesting program on the eleemosynary institutions of Texas.

Those present were Mesdames G. B. Combs, W. H. Sparks, Dowd, J. H. Wright, Payton, Milner, Gill, Penny Cox, Cynthia Anderson, C. H. Stratton, members; and one visitor, Mrs. Mary Burtz.

Mrs. Burtz assisted the hostess in serving delicious refreshments at the social hour.

The next meeting will be Friday, May 9, in the home of Mrs. C. H. Stratton, where a demonstration on French breads will be given.

Bride-Elect Marjorie Mullican Honored With Bridal Shower

Marjorie Mullican, bride-elect of Bill Hood of Canyon, was honored with a miscellaneous bridal shower on Saturday afternoon from 3 to 5 o'clock at the home of Mrs. Bill Sternenberg, 1305 Seventh Avenue.

Mrs. Sternenberg, Miss Mullican, Mrs. Franklin Mullican of Snyder, and Mrs. S. R. Hood received the guests, who were registered in the Bride's Book by Leatha Harwood.

The receiving rooms were decorated with bouquets of seasonal flowers and potted plants.

Laid with a Chinese mosaic cloth in white, the serving table was centered with a satin heart forming the base for the floral arrangement of sweet peas and stock which carried out the chosen color scheme of blue and white. Small bisque angel heads with satin streamers completed the arrangement.

Individual cakes and punch were served during the afternoon by Mrs. Wayne McNeill and Doris Bourn.

Approximately 70 guests called or sent gifts.

MR. AND MRS. C. MAYNARD ARE GIVEN HOUSEWARMING PARTY

On Wednesday evening, April 30, a group of friends surprised Mr. and Mrs. Clarence Maynard with a housewarming party.

During the refreshment hour coffee, ice tea and cake were served to the honorees, Mr. and Mrs. Bill Hicks, Mr. and Mrs. D. J. Maynard and children, Mr. and Mrs. P. L. Pitt and children, Mr. and Mrs. Jack Conatser, Mr. and Mrs. Harold Martin, Mr. and Mrs. Roy Joe Stevens and children, Mr. and Mrs. Carl Eugene Hair, Mr. and Mrs. Delbert Davis, Jr. and Judy, Mr. and Mrs. Leroy Pitt, Mr. and Mrs. Dick Hefley, Mr. and Mrs. Lowell Smith.

SURPRISE MAKES J. HUNTER AWARE OF HIS BIRTHDAY

On Tuesday evening, April 29, John Hunter was made aware of his birthday when a group of friends gave him a surprise birthday party.

Those participating in the surprise were Mr. and Mrs. B. A. Burrus and Junelle, Mr. and Mrs. Joe Baber, Mr. and Mrs. R. B. Gist, Mr. and Mrs. J. J. Wright, Mr. and Mrs. L. D. Winn. Members of Mr. Hunter's family present were the honoree, Mrs. J. E. Hunter, Lila Mae Hunter, and Mrs. J. A. Smith.

Ice cream and cake were served at the social hour.

In 1951, 9,470 pedestrians were killed in U. S. traffic accidents.

"Spring Fever"

"I wish school was out!" "It's too pretty outside to have to stay in school today!" These seem to be some of the lamentations of CHS students lately, because the days are getting warmer, the grass is getting greener, and boys and girls are beginning to think of the summer fun that is just ahead.

It's wonderful, all right, to dream of fishing and swimming, but there are only four more weeks of school and we should be thinking of keeping our studies up to par. By starting now, you will be well prepared for those final examinations which insist upon coming around each year.

Let's keep working, even though it is getting summery and school life is seeming to be a little dull. Just push aside that old "spring fever" and come up with top grades at the end of the year. You will find that your effort now will be richly rewarded later.

Your Responsibility

"I am less disturbed about the freedom of the press in the United States than I am with the disposition of too many newspaper editors not to do anything with the freedom that is theirs."

These are the words spoken by Grove Patterson. Similarly, readers have a responsibility to do something with their freedom. What are some of the things that readers might do to maintain this freedom?

First, they might develop an understanding of what "freedom of the press" really means. Andrew Hamilton, over 200 years ago said, "The loss of liberty, to a generous mind, is worse than death; yet, we know there have been those in all ages who, for the sake of preferment, for some imaginary honor, have freely lent a helping hand to opress, nay, to destroy their country."

Readers have an obligation to think through the big questions that arise, to support the few editors who do the right thing, and finally, all Americans may develop appreciation of our free heritage and resolve to do these things which make us worthy of it.

Can you not see your responsibility?

Physician Presents Speech on Bones

Main attraction of the Science Club meeting Thursday night was Dr. Dudley Moore, city physician and bone expert.

Dr. Moore presented a talk on fractured bones and broken bones. Many types of metal braces and supports were shown. Each different piece was explained; why the shape, and the fracture or break each is used for. An illustration of each was explained.

Besides his profession, Dr. Moore is interested in photography and colored slides.

Following his talk, he showed several examples of each plate by movie projection. Pictures were taken from X-rays and experiments in college.

Charles Boling was elected treasurer to succeed Joe White and Ted Briggs. Refreshment committee is composed of volunteers at each meeting.

The club will meet every first and third Thursdays during the summer. June 5 will be the first vacation meeting. This will consist of a weiner roast and star gazing.

Jr.-Sr. Prom and Banquet Reflects Atmosphere of Southern Plantation

Highlighting the season's social events for the seniors of '52 was the Junior-Senior Banquet and Prom held May 2 in the high school cafeteria and Randall Hall Ballroom, with an old Southern plantation as the theme.

Master of ceremonies, the Towncrier for the evening was John Miller, vice-president of the junior class. Doyle Bourn, the Plantation Parson offered the invocation. The Village Blacksmith, Dick Dawdy, junior class president, presented the welcome to the seniors, faculty members, and guests.

Raymond Hinders, Old Lamp Lighter, rendered the senior response, "On Other Soil."

The comparison between the "Colonial Days" and life at CHS was given by the Colonial Belle, Frances Cunningham, in a toast to the faculty members. Dixie Blossom, Lynn McKinney, paid tribute to the parents in a toast.

Dr. Leon Hill, Amarillo Baptist Evangelist and speaker for the evening, talked to the students and guests on the dreamy aspects and wonderful opportunities that a student has in this time, a zipper age in our history.

The banquet hall was artistically decorated with colonial ornaments. Old-fashioned fans with beautiful fresh spring flowers reflected the old Southern atmosphere that surrounded the tables, which were lit by colonial lamps with candle. Colorful flower-bedecked umbrellas covered the lights and added to the pastel coloring of the room.

Pleasant and efficient waitresses, the sophomore girls, served the following menu: Southern fried chicken, potatoes, creamed peas, vegetable salad plate, hot rolls, butter, iced tea, and chocolate cake with orange sherbet.

"Colonel Snooper," Tommie Middleton, gave brief glimpses into the comically planned futures of a few of the senior students.

Entertainment was rendered by the "Southern Thrushes," Sue Ann Kinney, Shirley Glenn, and Shirley White, who sang "Kentucky Babe" and "Carolina Moon." The "Candle Snuffers," Don McDonald, A. C. Wimberly, James Joyner, Dick Dawdy, Willie Mac Weaver, and Jerry Downing, sang their version of "Beautiful Dreamer." "Melody in F" was played on the piano by the "Golden Slipper Queen," Laura Smith.

The ballroom was similarly decorated to that of the banquet hall. A flower entwined archway and trellises enclosed the orchestra, the WT Collegians, with Donna Erwin as featured vocalist.

Cal would like to comment on the Junior - Senior Banquet and Prom. He thinks the juniors did a very laudable piece of work in decorating and planning! Cal just can't understand how they managed to keep everything secret for so long!!!

Another member has found admittance to the Spanish Club. He is, however, a rather unusual member: Pedro has horns, four legs, and is a very silent sort of person? Pedro is a horned toad, but his benefactor in admittance to the club is still unknown.

Twenty-five members of the biology class have been fishin' lately. No, they haven't been playing hookey! They've been studying the fish's anatomy, and habitat, so if you can smell "fish," it is they.

How did you like the Southern Assembly program Friday? It was cal's theory that ALL cowboys had to come from Texas!

How do you students feel about the Library News? Cal feels that this a helpful student publication and should be read by all. Not only does it give the latest books, but it also tells the student where he can find reference material and different types of books. Mrs. Gilmore and untireless staff of librarians keep this publication rolling.

Positions Require Social Security

June graduates and June brides take special notice.

If you do not already have a social security account number card, and if you expect to work during the summer in a job that comes under social security, you should apply for your card at once. Your application should be mailed to the Amarillo Social Security Office.

You can get an application blank and instructions at the local post office. By doing this you will have your card ready to show to any prospective employer. You won't lose time starting on your new job, nor be embarrassed.

If you have had a card but lost it apply for a duplicate immediately. When a girl marries, she will need to change her name on her social security wage record, retaining her original number.

All your wages will be reported by employers coming under social security, and will be duly credited by the Social Security Administration to your own individual social security wage record. That is why you want one and only one social security account number all your life.

There is no charge for issuing you any type of social security card, original, duplicate, or one showing change of name. You will always have the same number. Be sure you have a social security account card, protect your card, and show it to your employer.

Combined Voice and Piano Recital Presented by Graham and Sanders

BETTIE GRAHAM

RICHARD SANDERS

Bettie Graham and Richard Sanders, Canyon High School seniors, will present their respective voice and piano recitals in a combined concert Sunday afternoon, May 11, at 4:30 p. m. in the West Texas State College auditorium.

Bettie is the pupil of Mrs. Glenn Dowlen, who will accompany her, and has been studying voice for six years. Among the numbers she will present are Il Bacio (The Kiss), by Arditi; Prayer of the Norwegian Child, Kountz; and O. Divine Redeemer!, by Gounod.

Richard has taken piano for nine years, and is the student of Mrs. Ples Harper. He will play the Allegro Animato from Bach's Italian Concerto, an Etude and two short Preludes by Chopin, and other lighter compositions.

Ushers will be Harrell Slack, Wayne Bassett, and Marshall Jones. The public is cordially invited to attend.

Bobby Hardaway, first place regional vaulter, tied with Ben Watkins of Decatur for third place pole vault honors. The heighth was 10 feet and 6 inches.

NHS Probationary Members Elected

Probationary members have been elected by the council of the National Honor Society. Qualifications which were considered in their election were scholarship, service, leadership, and character.

The fact that these students have been elected to probationary membership does not necessarily make them eligible for membership in the National Honor Society. The council will consider the names of these students along with other members of the sophomore class who may become eligible during the first semester of the next school term.

When a student has been elected to membership in the National Honor Society or to probationary membership, it does not mean that he will be passed by the council the next year. The student will determine by the type of citizenship and character he demonstrates in and out of school, by the type of leadership he displays throughout the entire school program, by the type of service and attitude he takes in rendering service to the school, and by his scholarship, whether or not he will be retained as a member of the National Honor Society.

Recently elected probationary members are: Charles Boling, Ted Briggs, Nancy Bolton, Ruby Brown, Edwina Caskey, Bob Cole, Camilla Davis, Billie Graham, Ann Holt, Wanette Green, Virginia Holt, Sue Keeling, J. T. Maddux, Jerry Martin, Charles Miller, Dorothy Neblett, Shirley Peppard, Arlen Ruthart, Nora Dell Ruthart, Joe Watson, and Barbara Winters.

Officers Elected For Fall Semester

Carlene Rogers, junior, and former secretary of the organization, will serve as the 1952-53 president of the Canyon chapter FHA. Other new term officers were elected last week in an afternoon meeting.

Mary Alice Bauer, sophomore, was selected vice-president. Serving as the new secretary will be Peggy Bonds, a junior. Louise Hunter, sophomore, was elected treasurer. The recently elected parliamentarian is Billie Graham, a sophomore. Ann Holt will be next year's historian. Betty Burrus was chosen sergeant-at-arms, and Norma Dean Thurmon was elected songleader.

Filling the past year's organizational positions were Joyce Payne, president; Virginia Rigsby, vice-president; Carlene Rogers, secretary; Barbara Glanton, treasurer; Sue Keeling, sergeant-at-arms; Johnny Bonds, historian; Florence Coffee and Carol Rose, reporters; Bettie McGehee, parliamentarian; Peggy Bonds, songleader; and Ann Holt, pianist.

Music Week Held In Canyon High

Music Week, May 5-9, is being observed by the different choirs of Canyon High School. Highlighting the week the choir presented a program Tuesday, May 6.

Younger choirs will be given the opportunity to hear the advanced groups sing. During these sessions the young choirs will be able to see how they may improve through the years.

The choirs are the high school's girl's chorus, the high school mixed chorus, Chordettes, and Harmonettes, under the direction of Miss Ada V. Clark, junior high choir, with Miss Virginia Bailey, director, and the grade school chorus, under the direction of Mrs. Glenn Dowlen and Miss Ada V. Clark.

STAFF DISCUSSES FREE PRESS

"The Press Should be Free—for What?" was the title of the panel discussion conducted in journalism class Wednesday.

Main topic had nine subtopics and each member of the staff prepared outlines and discussions for the individual subtopics.

Hood, Sheets, Ratliff, Gum Enter Prevention Posters in State Contest

Bob Hood, Wanda Sheets, and Bob Ratliff won first, second, and third respectively in the local Fire Prevention Poster contest. Hosea Foster Insurance Company awarded prizes of $2.50, $1.50, and $1.00 to the winners. Posters made by Bobby Vandergriff, LaNelle Gum, Judy White, and Sue Ann Kinney received honorable mention.

A winning poster from each of the four grades in high school will be sent to Austin to be entered in the State Fire Prevention Poster Contest May 1. Artists of posters entered in the state contest are La Nelle Gum, freshman; Bob Hood, sophomore; Bob Ratliff, junior; and Wanda Sheets, senior.

Miss Isabel Robinson and A. G. Kieselbach of West Texas State College art department were the judges for the local contest.

La Nelle Gum, freshman, has attended Canyon public schools for seven years. This is her third year to take art. She is a member of the Rainbow Girls and FHA.

Bob Hood, sophomore, is completing his first year at CHS. He played on the "B" football team.

Bob Ratliff, junior, has played on both the "A" and "B" football and basketball teams. He is a member of FFA and was sophomore class favorite.

Wanda Sheets, senior, is finishing her first year in art. Honors Wanda has had while in high school are: candidate for Halloween queen, candidate for Miss W. T. High, and treasurer of her sophomore class.

Dating Data

How can a girl make a boy feel he is special?

The first step is to show enthusiasm about the guy and his dates with you. Be ready when he comes to pick you up, instead of making a grand entrance later. Spend the evening talking to and about your date, not the girls, or some other guy you have gone with.

Girls should realize that a boy likes to feel important and always try to build him up, like admiring the way he plays basketball, football, or anything else that he does well.

If a girl is always neat and particular about her appearance when she is with a fellow, she is letting him know in another way how much she thinks of him. Girls have a natural talent to promote that special feeling, and they can do it best by being natural and sincere.

JACKETS RECEIVED BY CHS EAGLETTES

Letter jackets were received by seven of the Canyon High School Eaglettes Thursday, April 24.

The jackets are purple with grey sleeves and white letters. They are made of a woolen material.

Girls receiving the jackets are as follows: Joan Dodson, Pat Ford, Barbara Glanton, Tsene Cox, La Rue Davis, Patsy Priddy, and Bettie Glanton.

ARTISTS ANONYMOUS MEETING

Discussion of summer meeting dates and places was the business taken up by Artists Anonymous Wednesday, April 30.

A committee was appointed to arrange these details for the first summer meeting which will be on June 11th at 4 o'clock in the afternoon.

Only five members were present Wednesday, and Miss Neelley asks that each member make a point to be present at the next meeting.

Canyon Delegates Attend State Meet

Joyce Payne, president, Bettie Graham, delegate to receive a state FHA degree, Louise Hunter, girl earning the most points, Mrs. Travis Payne, and Mrs. Roy Lyles, sponsor, attended the State FHA meeting at Dallas, Texas.

After arriving at their destination the girls and their sponsors stayed at the Baker Hotel. Recreation was provided for the delegates in the Baker Hotel Ballroom. State business, installation of new officers, and the conferring of the degrees was conducted in the State Fair Park Auditorium.

Only 94 girls out of 44,000 Texas FHA members received state degrees. Bettie Graham, Canyon senior, was among those who received her State Homemaker's Degree in the official ceremony.

Winners of the 4-H Girls Club county dress review held Saturday afternoon in recital hall of Amarillo College are from left, Virginia Hunter, Patricia Willmoth, Joyce Pearson, Doris Bourn, Mary Sue Russ and Shirley Sharp.

4-H Club Girls from 17 counties in the Panhandle area modeled dresses at the district dress review held Saturday afternoon in the recital hall of Amarillo College.

Costumes were summer styles made by the girls themselves. Each girl participating was winner of first place in her county. The models are 4-H Club Girls ranging in age from 14 to 16 years.

Judges chose six winners in the review Saturday. They are Mary Sue Russ, Carson County; Shirley Sharp, Castro; Virginia Hunter, Dallam; Patricia Willmoth, Hemphill; Joyce Pearson, Ochiltree; and Doris Bourn, Randall.

Doris Bourn is the daughter of Mr. and Mrs. E. W. Bourn. She is the 1951 Gold Star Girl in club work and has been in 4-H work for five years, having held all offices in her club. She makes many of her own clothes as well as helping with sewing for other members of the family. In addition to being an accomplished seamstress, Doris is an excellent cook, cooking the family dinner about five nights a week.

Judges in the contest Saturday were Miss Clara Prett, home demonstration agent of Lubbock County; Miss Mary Grindstaff, home demonstration agent in Hale County; and Mrs. H. A. Bragg, former home demonstration agent of Amarillo.

The review was under the direction of Miss Doris Leggitt, district home demonstration agent.

Mrs. J. B. Wiggington of Lockney, niece of Mrs. G. B. Bourland, spent the week end in the home of Mrs. Bourland.

Mr. and Mrs. H. R. King spent the week in the home of her parents, Mr. and Mrs. S. D. Power, of Estelline.

C. M. Fuqua of Amarillo visited over the week end with his sister and brother-in-law, Mr. and Mrs. G. W. Webb.

Mr. and Mrs. L. A. Wester and family of Stinnett visited with their sister-in-law, Mrs. W. I. Wester, of Canyon recently.

Close of Spring Training Finds Buffaloes Weak

When Frank Kimbrough's Thundering Herd of Buffaloes hit the gridiron next fall the club's main strength will depend upon the sophomores and freshmen. Coach Kimbrough also went on to announce that some freshmen would probably make the first team.

The news was released to the press as the Buffaloes closed out their spring drills last week.

Spring training saw 33 Buffaloes whetting up their technique on the gridiron. There are 20 men bucking for line positions while 13 compete with each other for backfield spots.

Although the team will be lightly sprinkled with experienced men, these are not considered enough to give the power needed by the Buffaloes for another Border Conference winning team.

SWEET ROLL DEMONSTRATION IS GIVEN IN MILLER HOME

The Sunnyhill Home Demonstration Club met at the home of Mary Jane Miller April 24. She demonstrated sweet rolls; and while they were rising, the business session was held.

Rosie Miller, who is citizenship chairman, reminded the women of the precinct and county conventions. One of the projects of all Demonstrations Clubs is to get the people to vote.

Rosie Miller was the club's representative to the County Commodity Sale that was held in Canyon April 26.

Delicious sweet rolls, coffee and cheese twists were served to one visitor, Ruth Austin, and eleven members, Rosie Miller, Florence Moore, Lois Stevens, Gene Robinson, Bonnie Gist, Ester Quanstorm, Eula Hayes, Myra Nell Culp, Maurine Allison, Mrs. J. B. Knox and the hostess.

Prenuptial Courtesy Shown Norma Jean Tomlinson Tuesday

Norma Jean Tomlinson, who is to become the bride of Ken Williams of Plainview on June 6, was honored Tuesday evening with a miscellaneous shower. The courtesy was given in the home of Mrs. John Williams, 2406 Eighth Ave.

Receiving the guests were Mrs. Williams, Miss Tomlinson, Mrs. Floyd Tomlinson and Mrs. W. B. Williams of Plainview.

Betty Ross Craig and Mrs. Jay Tatman registered the guests and gifts were displayed by Mrs. Richmond Hales and Nancy Kay Tomlinson.

Simple and lovely in every detail was the table which reflected from a polished surface the appointments in silver and crystal. The floral centerpiece arranged with slender tapers carried out the bride-elect's chosen colors of pink and white. The color scheme was repeated in the fruit punch and angel squares served by Mrs. S. B. Loudder and Mrs. S. H. Condron to approximately 80 guests.

Members of the house party for the occasion included Mrs. C. G. Pond, Mrs. Gwen McFarland, Mrs. Iverson Leake, Mrs. Glenn Dowlen, Mrs. Ed Bourn, Mrs. J. B. Roberts, Mrs. Joe Watson, Mrs. Earl L. Craig, Mrs. Newton Crain, Mrs. J. J. Walker, Mrs. K. L. Pond, and Mrs. H. Jennings.

H. D. COUNCIL IS TO SPONSOR COUNTY-WIDE EVENING MEET

The Randall County Home Demonstration Council is to sponsor an evening meeting for all club members and their families on May 15 at 8 o'clock, at the high school cafeteria.

Wes Izzard of Amarillo will be the principal speaker. The topic for consideration is "Good Citizenship."

A social hour will follow the program.

All members of Home Demonstration clubs in Randall County are urged to come and bring their families. The public is also extended a cordial invitation.

Miss Giovanna Johnson Is Honored With Announcement Tea Saturday

MISS GIOVANNA JOHNSON

Announcement of the engagement and approaching marriage of Miss Giovanna Johnson, daughter of Mr. and Mrs. Warren G. Johnson of Los Angeles, California, to Morris E. Sims, son of Mr. and Mrs. M. John Sims of Happy, was made at a tea given in the home of Mrs. A. L. Walsh, aunt of the bride-elect Saturday afternoon.

Guests were greeted by the bride-elect, her mother, Mrs. Sims of Happy, and Mrs. Walsh. Miss Pam McDonald and Mrs. Joan Conner, sorority sisters of the honoree, secured names for the register.

Arrangements of seasonal flowers decorated the rooms. The attractive serving table was laid with a white grass linen cloth and centered with a basket in green and pink tea roses. Streamers of pink satin net extended from the basket to the corners of the table with nosegays of pink tea roses terminating them.

The centerpiece was flanked by pink tapers. Morris and Giovanna, May 31, written on the streamers in gold letters made the announcement.

Mrs. Cleo Norwood, cousin of the honoree, and Mrs. Roscoe Davis presided at the tea service.

Musical numbers were played throughout the afternoon by Mrs. Bryan McDonald.

Members of the house party were Mrs. L. L. Byars, Mrs. Tom Brasher and Mrs. Mitchell Jones.

Approximately 70 guests called during the afternoon.

'Pinafore' Show In Rehearsal; To Be Most Spectactular Yet

"HMS Pinafore's" Cousin Hebe, Rae June Jones is tellin-off those who don't plan to attend the operetta.

Gilbert and Sullivan's comic opera, HMS Pinafore, scheduled for May 13 and 14 in the Education building auditorium, is shaping into the polished production typical of other West Texas presentations of the past. According to directors Holmes Ambrose and William A. Moore, the show has already reached the finishing stages and is expected to be in perfect precision by production date.

Pinafore, the first in an anticipated series of such annual productions, is the work of William Gilbert and Arthur Sullivan. This presentation is sponsored by the newly organized opera workshop on the WT campus, under the direction of Holmes Ambrose

"The new department and its directors are dedicated to the purpose of bringing the great music of grand and light opera to the audiences of the Panhandle-Plains area and to give WT students practical experience in organizing and producing operatic performances for the secondary school level," said Ambrose at the organization of the program.

Ambrose is assistant professor of voice and theory in the music department and was Director of the Opera Workshop at the University of Mississippi prior to his coming to West Texas. He has sung professionally in light and grand opera for ten years, including productions in New York, Philadelphia, Baltimore, and other east coast cities. He has appeared in opera in Constitution Hall, in Washington, and in Ford Theatre in Baltimore. He has produced several operatic works, including I Pagliacci, Carmen, and the light opera works of Gilbert and Sullivan and Victor Herbert.

As a student of opera at the Juilliard School of Music, Ambrose has also had the experience of working under G. DeLuca and Rene Maison.

Stage director for the operetta is William A. Moore of the Speech Department, with Wendell Cain serving as technical director. Both are already well known throughout the Panhandle for their work with WT drama productions and Summer Theatre Workshop along with their very close association with the Amarillo Little Theatre group.

The cast for the christening production includes Joe Coleman, a senior voice major from Ft. Worth as Ralph Rackstraw. He is a member of the A Cappella Choir, the famed Varsity Quartet, and soloist for oratorio and cantata throughout the High Plains.

Peggy Williams, also a member of the A Cappella Choir, is a voice major from Plainview, attending West Texas on a Tau Beta Sigma scholarship. She is also clarinetist for the Buffalo Band. Peggy has the role of Josephine.

Marian Taylor, Amarillo freshman, has the part of Little Buttercup. She is a speech major, a former member of the Bel Canto Chorale, has appeared in "New Moon" and "Naughty Marietta," and is a member of National Thespian Society.

Others in the cast include Rae June Jones, Amarillo sophomore, as Cousin Hebe, James Gamblin, Rankin senior, as Dick Deadeye, Wilbert Long, Canyon senior, as "Bosun," and John Butler, Chicago junior, as Sir Joseph Porter, K.C.B.

Orchestration is under the direction of band director William O. Latson.

Set design and decoration is under the auspices of Beth Blankenship and Jerry Freeze of the art department, with Rae June Jones in charge of costuming. According to directors, both costumes and set are the most luxurious that they had to work with in the Pinafore production to date.

Tickets are now on sale and publicity agents are urging those planning to attend to get their tickets soon to insure a seat when the curtain rises. In Canyon tickets are available at the Canyon Drug, The Pharmacy, and the Buffalo Drug.

Band Sweepstakes Winners Given

Sweepstakes were taken by eight Plains high school bands in the Interscholastic instrumental contest held on the WT campus last Thursday, Friday and Saturday.

Taking high honors in Class AA-1 was Lubbock High School Band.

In Class AA Plainview band took the highest possible rating.

Class A bands from Levelland, Littlefield and Brownfield ran off with sweepstakes in this class.

Sundown and Tahoka bands received the highest of honors in Class B.

Hutchinson Jr. High Band of Lubbock took first division ratings in Class CC.

To receive a sweepstake rating, a band must receive first division ratings in all contest activities.

Contest director, Bill Latson, Latson, stated that the solo and ensemble contest was the largest in contest history.

Latson also declared that the quality of performers was superior to those in the past year.

FAIR QUESTION

MacPherson was strolling down the street when he noticed what he thought was the familiar figure of a friend. Quickening his steps, he came up to the man and slapped him on the back. To his amazement and confusion he then saw that he had greeted an utter stranger.

"Oh, I beg your pardon," he said, apologetically. "I thought you were an old friend of mine, Macintosh by name."

The stranger recovered his wind and replied heatedly: "And supposing I were Macintosh, do you have to hit me so hard?"

"What do you care," retorted MacPherson, "how hard I hit Macintosh?"

Douglas MacArthur, General of the Army, former Far East Commander: "I do not actively covet or seek any office . . ."

WHO'S HAPPY

There is no excuse for language used as sloppily as in saying the thirty-ninth anniversary of the Federal income tax was "celebrated."

Last year, 1,962,000 Americans were injured in traffic accidents.

PROVED

Week-end events have proved the astuteness of the individual who ordered that the sign for his summer estate read: "John Smith & Company."
